## Letter from State Tax Commission

---

August 25, 1953

Alton Joudrey, Chairman  
School Board  
Gorham, New Hampshire

Dear Sir:

In going over the return of district revenue in connection with the approval of this year's tax rate we find that \$6,000.00 was inserted as the available balance at the close of the last school year to be used to reduce the amount to be raised by taxation for school purposes. The balance sheet as of June 30th, last, shows however that there is an available balance of \$6,102.68 and we have therefore inserted this latter amount in accordance with a ruling of the Attorney General thereby reducing the sum to be raised by taxation which will be paid to the school district during the current year from \$97,673.00 to \$97,570.32.

Very truly yours,  
Lawton B. Chandler, Secretary

Mr. George W. Graham  
Chairman, Board of Selectmen  
Gorham, New Hampshire

Dear Mr. Graham:

This is to acknowledge receipt of the agreement developed between the City of Berlin and the Town of Gorham whereby fire department facilities in the City of Berlin will be had and made available to the Town of Gorham from the boundary line of said Towns to a line drawn at the foot of Tinkerbrook Hill, so-called, and with the condition and understandings as set forth therein.

This agreement is very well developed and is being placed in our files for future reference.

Cordially yours,

/s/ A. C. Hudson,  
Secretary

## Agreement—Fire Protection Cascade Area

Memorandum of agreement made as of January 1, 1953, by and between the TOWN OF GORHAM, a body politic in Coos County, New Hampshire, through its Selectmen, and the CITY OF BERLIN, a municipal corporation in and a part of the said County of Coos,

### WITNESSETH:

1. The CITY OF BERLIN agrees to permit its Fire Department of equipment and men to respond to fire alarm calls and to appear at the scene of fires and to fight fires in an area extending from the boundary line of said TOWNS to a line drawn at the foot of Tinkerbrook Hill, so-called, and parallel with said boundary line upon the following conditions and with the following understanding:

a. The Berlin Department will comply as above if all of its men and equipment are not already fighting a fire in Berlin. In the event of simultaneous fires, Berlin shall release such equipment and men as can be spared, if any.

b. If while engaged at a Gorham fire, fire should break out within the City of Berlin, the latter reserves the right to recall all or such part of its men and equipment that may be needed at Berlin.

c. The Fire Chief of the Berlin Fire Department shall be the sole judge as to what equipment and men shall be furnished Gorham in the event that situations outlined above should arise.

2. In consideration of the within agreement, the TOWN OF GORHAM agrees to pay the CITY OF BERLIN annually commencing with the year 1953, the sum of Fifteen Hundred (\$1500.00) Dollars on the first day of July in each year.

3. This agreement shall run from year to year unless cancelled by either party by giving notice in writing to the other on or before December 1 in any given year that it wants the agreement discontinued commencing the next following calendar year.

4. It is agreed that the alarms and fire reports from the aforesaid area of Gorham shall be sent and directed to the Central Fire Station, Main Street, Berlin, New Hampshire, and may be sent through regular fire alarm boxes if some are subsequently installed.

5. It is understood that this is not an agreement on the part of the CITY OF BERLIN to furnish the section of Gorham involved with a fire department but is only an agreement to make available its men and equipment as outlined above such as said equipment and men may be and may be organized.

WITNESS the hands and seals of the said parties by their duly elected officers hereunto duly authorized.

## Letter from "The Historical Society"

---

November 10, 1953

To: The Selectmen of Gorham, N. H.

We, officers of "The Historical Society" (newly formed) are desirous of securing custody of the old fire truck, which we understand you are about to dispose of for junk.

May we sincerely request that the Town of Gorham donate this piece of apparatus to the Historical Society, to be preserved and restored in the interest of posterity? May we also request custody of the old hand-tub?

This society (as yet unnamed) was formed to preserve articles and documents of historical value and embraces all of the North country. It is non-partisan, non-sectarian and democratic in its concept. Our meetings are held the first Sunday in each month at the Berlin City Hall at 3:30 P. M. All interested persons are cordially invited to join us.

Sincerely,

/s/ W. F. WOOD, Vice-Chairman

EVERETT SMITH, Custodian

## Report of Recreation Commission

To the Inhabitants of the Town of Gorham:

The Gorham Recreation Commission in its fourth year of operation had Antonio LaCombe as chairman. Edward Penney resigned and was replaced by John Addario.

George Reid was the supervisor of the boy's program. The toddler's group, which continues to be most popular, was under the supervision of Marion Knightly and Judith Daniels on the Gorham Common and Pearl Murphy and Jacqueline Baillargeon at the Cascade Playground. Gail Prescott served as substitute.

Theodore Feild of Littleton, N. H., taught all levels of swimming under the standard National Y. M. C. A. Aquatic program. This program was carried out at Moose Brook Park. It was found that due to the coolness of the mornings and the extreme cold water, afternoons only could be used for teaching swimming.

During the year bills totalling \$1,263.81 were approved by the Commission and turned over to the Selectmen for payment. A detailed statement of our expenditures is listed below.

## Report of Committee on New Recreational Area

---

Gorham, New Hampshire  
February 8, 1954

TO: Citizens of the Town of Gorham, N. H.

The following is a report of the Committee authorized under Article 33, of the Town Warrant of 1953 to investigate and report on the new Recreational Area.

Your Committee looked into several possible sites that could be developed as a new Recreational Area. None of these sites presented suitable conditions for the development of a swimming pool, which we think to be of primary importance.

Early this winter, the E. Libby & Sons Company offered to give to the Town of Gorham, such area in the so-called Mill Pond area on the Glen Road, as might be used for recreational purposes. This is a most ideal location and can be developed into a fine Recreational Area. We recommend as follows:

1. That the Town of Gorham accept the offer of the E. Libby & Sons Company.
2. That the area developed be known as "Libby Memorial Playground."
3. That a Committee be appointed by the Selectmen to have full charge to supervise the development of such a Recreational Area. This Committee to serve without compensation, other than the actual expenses.
4. We have requested from the Budget Committee that the sum of \$23,000.00 be raised and appropriated and made available to the Committee to carry on the work.
5. That the Town of Gorham be authorized to accept gifts in money, services, or other aids, to carry on the development.
6. That the money now in the Trust Fund under the name of Post-War Development, be made available to the Committee as part of the \$23,000.00.
7. That the work start as soon as ground and weather conditions permit.
8. That as soon as any part is completed and is usable, that the operation of such part be turned over to the Recreational Committee for operation.

We feel that should these recommendations be accepted by the Citizens and the work authorized, a great step forward will be taken to put Gorham back on the map as a Recreational Center.

We respectfully request your favorable consideration of the above.

CARLETON W. MacKAY
